Your ship

Polar Front

Robust enough to endure the harshest arctic sea and weather conditions in full safety, your former meteorological research ship has been refurbished into a luxury yacht which allows for an intimate experience of the northernmost areas of the archipelago. Eight large and cozy cabins are available, as well as a sauna, a fitness room, a high end restaurant, and observation decks equipped with an outside hot tub and 360 views of our world's most stunning scenery.

Day 1*

Welcome on board your polar ship

- Private jet flight to Longyearbyen, Svalbard
- Welcome by your crew members on board your chartered ship while enjoying a welcome glass of champagne.
- Discovery of the vessel and of your living spaces on board.
- Start sailing towards Nordvest Spitsbergen National Park.
- Enjoy dinner while being briefed on the cruise programme by your English speaking guide, expert in polar environments.

Day 2*

In search of polar bears and local wildlife

- Sail along untamed landscapes of outstanding natural beauty, looking for polar bears, birds, seals, walruses, and other local wildlife species.
- The Svalbard archipelago hosts the highest density of polar bears in the world. Depending on the time of year, you may have the opportunity to watch bears hunting, getting about, or mothers playing with their cubs.

Day 3 & 4*

Breathtaking scenery and outdoor activities

- Choose to participate in different activities: hiking, explorations in zodiacs, kayaking, fishing, etc. Lectures are also regularly given on board.
- As to guarantee a maximum safety level, all landings aimed at watching wild animals are led by experienced expedition leaders and naturalist guides specialized in polar conditions.
- Depending on the evening's programme, you may enjoy a 'cocktail on ice', a gorgeous dinner prepared by your private chef or other surprises prepared by the crew.

Day 5*

Return to Longyearbyen

- On the way back, enjoy the services on board, such as an outdoor hot tub, or keep on admiring the breathtaking arctic scenery.
- End of the cruise at Longyearbyen and board your private jet to fly back home.
