

FALCON 7X

OY-FWO

The Dassault Falcon 7X is a large-cabin, long range business jet manufactured by Dassault Aviation, the flagship offering of their business jet line. In addition to ample space, the cabin is the epitome of comfort. Features include lower noise levels, larger windows and advanced temperature monitoring. The 7X is an ideal business jet for owners who wish to travel efficiently, in style and, not to mention, fast.
