STARSPEED

SIKORSKY S92, G-LAWX

The only such aircraft available for charter anywhere in Europe

- **16 passenger seats plus one flight attendant if requested**
- **Based in London, available to operate EU wide**
- **More economical than using two smaller helicopters**

The spacious, stand-up cabin of the S-92 helicopter provides the ultimate in comfort and safety.

The quiet airline style cabin provides space and comfort for up to 16 passengers, with power and endurance to enable long range flights up to 430 nautical miles. Operated by Starspeed, this is the only such aircraft available for charter in Europe.

Starspeed - leading discreet helicopter management and charter operations since 1978.
