

AGUSTA *Westland* AW 139

ZS-RKA

ExecuJet
LUXAVIATION GROUP

The AW-139 combines luxury and comfort with the efficiency associated with rotary-wing versatility. The AW-139 is equipped with two Pratt & Whitney Canada PT6C-67C turbine engines which further enhance the safety and overall capabilities of this magnificent aircraft. ZS-RKA is one of the latest additions to ExecuJet's fleet of rotary wing aircraft and effectively meets the needs of our clients' twin-engine rotary wing requirements.
